

RENDERING ALERT

## New Renderings Highlight Elysee Miami's Interiors by Jean Louis-Denoit

Thursday, February 11, 2016, by [Josh Baumgard](#)

Elysee Miami just unveiled some new renderings highlighting interiors designed by Jean Louis-Denoit, who was recently named to [Architectural Digest's 2016 AD-100](#), honoring the top 100 architects and designers.

A few weeks ago, Two Roads Development [closed on a \\$22-million purchase](#) of waterfront land on Biscayne Bay that will house the 57-story Elysee.

The project is expected to break ground by the second quarter of 2016.
